Rev. John J. Kelly, CSP

STAT [redacted]

Dear Father Kelly:

Thank you very much for your letter of 27 July 1960; upon receiving it I remembered at once that you had written me earlier, toward the end of last year, I believe. I was greatly interested in your analysis of the Cuban situation and am grateful to you for the timely suggestions that you make.

The Cuban problem is indeed a trying one, not only for the United States but even more so for the Cubans who must live under it and for the Roman Catholic Church, which must give spiritual assistance to them. But, as you know, my Agency is a fact-finding, not a policy-making, organization, and it must adhere strictly to the announced policy of non-intervention in the affairs of other countries.

However, I should like to assure you that I shall make certain that the ideas you express will be brought to the attention of the proper people in government.

Sincerely,

Allen W. Dulles
Director
